Luminaires,

Additional Information: See the UL Online Certifications Directory at
www.ul.com/database for additional information

Only those products bearing the UL Certification Mark should be considered as being covered by UL's
Certification and Follow-Up Service.

Look for the UL Certification Mark on the product. This is to certify that representative samples of the product as
specified on this certificate were tested according to the current UL requirements.

Bruce Mahrenholz, Director North American Certification Program
